

EN: ALARION – USER INSTRUCTIONS

1. Remove the protective film from the adhesive backing.
2. Attach the alarm unit to the wall next to the door or on the doorframe.
3. Attach the magnetic door latch to the door, aligning it with the alarm unit.
4. The installation is now complete. You may also secure both parts with screws for added stability.
5. Turn on the alarm by sliding the switch on the left-hand side of the alarm unit.
6. When the distance between the two parts exceeds 8mm, the alarm will activate and emit a sound.

INSTRUCTIONS FOR RECYCLING AND DISPOSAL:

This label means that the product cannot be disposed of as other household waste throughout the EU. To prevent potential damage to the environment or human health from uncontrolled waste disposal. Recycle responsibly to promote the sustainable use of material resources. If you want to return a used device, use the drop-off and collection system, or contact the retailer from whom you bought the product. The retailer can accept the product for environmentally safe recycling.

A declaration by the manufacturer that the product complies with the requirements of the applicable EU Directives.
