Yunhe country, Lishui city, Zhejiang, China

WARNINGS AND SAFETY INSTRUCTIONS

- Carefully read and follow all instructions provided before using the toy. Failure to do so may result in injury.
- Pay attention to warning labels and symbols on the toy. These may indicate specific safety precautions or usage guidelines.
- Only allow children within the specified age range to use the toy. Small parts may pose a choking hazard to younger children.
- Always supervise children during playtime, especially if the toy has small parts, strings, or involves water activities.
- Please ensure that your child's playing environment is well lit, non-slippery and devoid of sharp objects or edges. Regularly inspect the playing area and remove small objects that could pose a choking hazard.
- Teach children about the proper and safe use of electrical toys. Emphasize the importance of following instructions and not modifying the toy.
- Inspect the toy for any damage before each use. Do not use if parts are broken, loose, or missing.
- Clean the toy regularly according to the provided instructions. Ensure that it is in good condition for safe play.
- Store the toy in a safe and dry place when not in use. Keep it away from direct sunlight, heat sources, and moisture.
- Warning: Dispose of packaging materials immediately and keep them out of reach of children. Plastic bags and ties can pose a suffocation risk.
- Caution: Use the toy only for intended purposes. Do not use it on any uneven surfaces.

CHOKING HAZARD - Product includes small parts which may pose a choking risk if ingested. Not recommended for children under 36 months of age.

WARNING! - THIS BAG IS NOT A TOY To avoid danger of suffocation, keep the packaging bag away from babies and children. Do not use this bag in cribs, beds, strollers or play pens.

A declaration by the manufacturer that the product complies with the requirements of the applicable EU Directives.

Children must be under adult supervision.
