

## EN: GLOWTREK – USER MANUAL

### PRODUCT OVERVIEW

1. 36 SMD LEDs
2. Light string outlet
3. Battery indicator
4. Power bank
5. Type-C interface
6. Power switch
7. Magnet
8. Storage handle
9. XTE LED

### GEAR OPERATION INSTRUCTIONS

Press the power button (6) to cycle through the lighting modes:

- String lights (warm white)
- String lights (RGB alternate flashing)
- String lights (RGB breathing effect)
- SMD warm white + string lights (warm white)
- SMD strong light
- Off

Press and hold the power button for three seconds to activate:

●○○○ (One light)	≤ 25%

## PRODUCT PARAMETERS

- **Lamp Beads:** 10-meter yellow light + RGB string lights + 36 SMD LEDs + XTE LEDs
- **Brightness:** 80-250LM
- **Battery Life:** 5-12 hours
- **Waterproof Rating:** IP44
- **Material:** PC + ABS + Magnet
- **Battery:** 2000mAh Polymer
- **Charging:** Type-C 5V 1A
- **Output:** USB output
- **Charging Time:** Approx. 5 hours
- **Product Size:** 108 x 37mm
- **Weight:** 210g

## PRECAUTIONS

### Usage Instructions:

- Follow the operating instructions to switch between lighting modes.
- Do not use this product in extreme temperatures below -10°C or above 60°C.
- This product has an IPX4 waterproof rating and is not suitable for submersion. Water seepage may cause circuit failure.

### Battery & Charging:

- Use only the original built-in lithium battery; do not disassemble or replace it.
- Use a high-quality power adapter and a standard USB charging cable.
- Do not charge the device while the light is in use.

### Warnings:

- Read this manual carefully before using the product for proper operation and maintenance.
- Children should use this product under adult supervision.
- Do not disassemble or modify the product.

## INSTRUCTIONS FOR RECYCLING AND DISPOSAL:

This label means that the product cannot be disposed of as other household waste throughout the EU. To prevent potential damage to the environment or human health from uncontrolled waste disposal. Recycle responsibly to promote the sustainable use of material resources. If you want to return a used device, use the drop-off and collection system, or contact the retailer from whom you bought the product. The retailer can accept the product for environmentally safe recycling.

A declaration by the manufacturer that the product complies with the requirements of the applicable EU Directives.
