

EN: TRANZIO – USER MANUAL

PRODUCT SPECIFICATIONS

Model number: YYK-Q16S

Input rating: DC 5V, 1A

Earphone Case Battery: Li-ion 3.7V 500mAh 1.85Wh

Earbuds Battery: Li-ion 3.7V 40mAh 0.148Wh

Operation Frequency: 2402-2480MHz

Antenna gain: 1.15dBi

APP DOWNLOAD AND INSTALLATION

1. Scan the QR code below or search for “**BitDynamic**” in your app store to download and install the app.

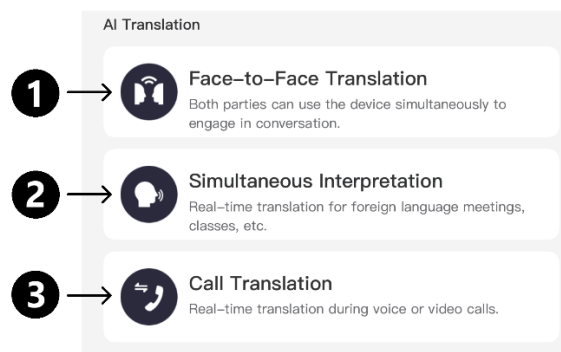

2. Open the app. When prompted, allow and enable all required permissions. Then enter your email address to log in and start using the app.
 3. All permission requests must be confirmed and authorized to ensure full functionality of the product.
 4. Follow the instructions provided within the app to properly set up and use the device.
-

APP FUNCTION USAGE

AI Translation

The BitDynamic app provides AI translation features, including face-to-face translation, simultaneous interpretation, and call translation. These functions can be found under the Home tab.

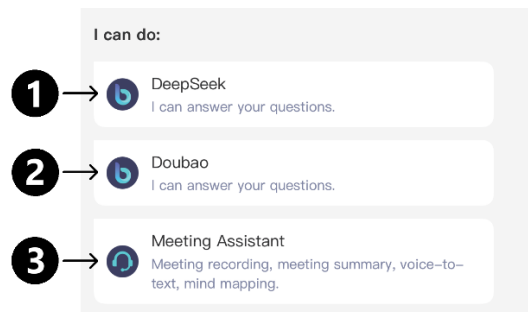

1. **Face-to-Face Translation:** Both users can wear the earbuds and communicate naturally. The device provides real-time translation for smooth conversation.
2. **Simultaneous Interpretation:** Provides real-time translation for meetings, classes, conferences, and other multilingual events.
3. **Call Translation:** Enables real-time translation during voice and video calls.

Note: A membership subscription within the app may be required to access AI translation features.

AI Assistant

The BitDynamic app also includes AI assistant features such as AI Chat and Meeting Assistant. These tools can convert meeting recordings into text in real time, generate summaries, and create mind maps. These functions can be found under the AI tab.

1. **DeepSeek:** AI-powered assistant for answering questions and providing information.
2. **Doubao:** AI-powered assistant for answering questions and providing information.
3. **Meeting Assistant:** Supports meeting recording, automatic meeting summaries, voice-to-text transcription, and mind map generation.

Note: A membership subscription within the app may be required to access certain AI assistant features.

INSTRUCTIONS FOR RECYCLING AND DISPOSAL:

This label means that the product cannot be disposed of as other household waste throughout the EU. To prevent potential damage to the environment or human health from uncontrolled waste disposal. Recycle responsibly to promote the sustainable use of material resources. If you want to return a used device, use the drop-off and collection system, or contact the retailer from whom you bought the product. The retailer can accept the product for environmentally safe recycling.

A declaration by the manufacturer that the product complies with the requirements of the applicable EU Directives.

EU DECLARATION OF CONFORMITY
According to EC Directive - CE
